BISTRO

Lycée

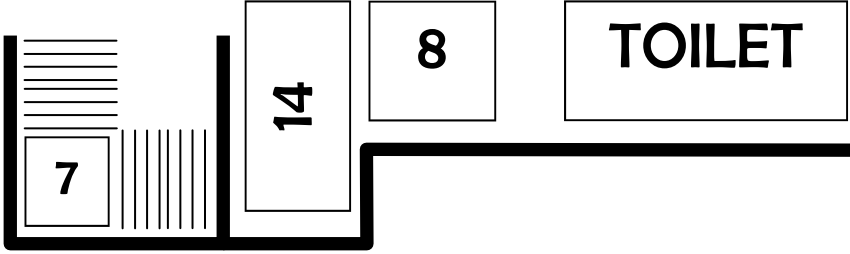

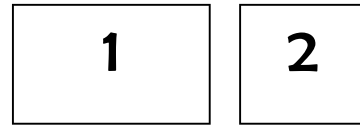

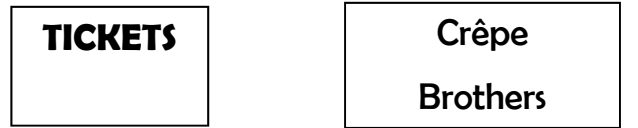

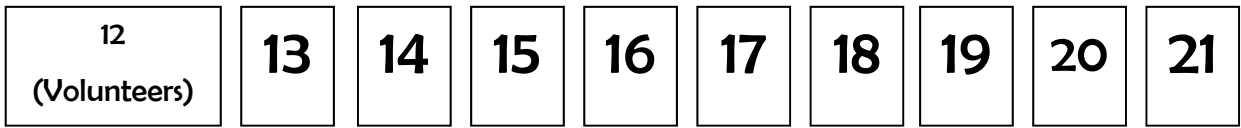

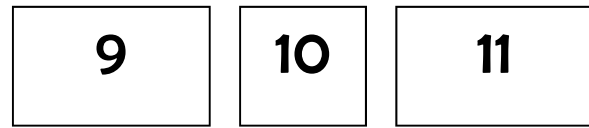

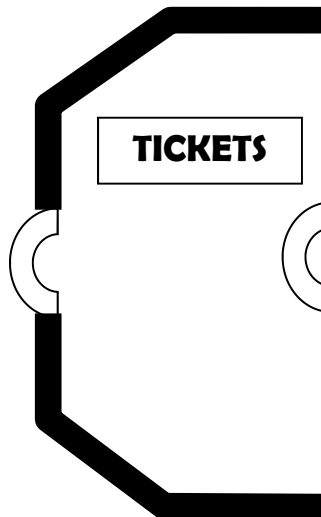

Welcome to our 5th Lycée Français Fall French Market!

Thank you for coming to the Fall French Market. This event helps support academic programs at Lycée Français de Chicago. This year's market is our biggest yet, with more than 90 vendors and activities galore! Be sure to visit all three floors of the market. We would like to thank our vendors, parent volunteers and student volunteers for their help in transforming our school into a true French marketplace.

We would also like to thank the following sponsors who were crucial to the success of the Market.
